A lump sum life assurance payment of 4 times the greater of pensionable salary and final pensionable salary at the date of death

13. Death Benefit Before Retirement:

A cash sum equal to 5 times the post commuted annual pension plus the maximum pension commencement lump sum.

14. Death Benefit After Retirement:

Pensions are guaranteed for a period of five years. Should a member die before they receive 5 years instalments of pension, the Scheme will pay a cash sum equal to the outstanding pension payment for the remainder of the five years (excluding annual increases that would have been applied).

15. Dependent's Pension:

A pension equal to 50% of the member's pre-commuted pension would be payable to any surviving spouse or if deemed suitable by the Scheme Trustee, a Dependant who is financially interdependent with the member at the date of death. The Scheme will pay a pension to an eligible child up to the age of 18 (or beyond if in full-time education up to age 23).
